

# ARE YOU READY TO BUILD YOUR TINY DWELLING?

Use this flowchart to find out!

## LET'S GET STARTED

**DETACHED ACCESSORY DWELLING UNIT (DADU)**

OR

**TINY HOUSE ON WHEELS (THOW)**

**DADU**

**THOW**

Do the local codes allow for this kind of structure?

**Y N**

### WHERE CAN I FIND INFORMATION ABOUT LOCAL CODES?

Local codes can be found through your local jurisdiction's building department.

Do you know where you want to park it?

**Y N**

### WHERE AM I ALLOWED TO PARK IT?

Our THOW are Park Model RV certified and can be parked anywhere RVs can be parked. They may also be parked and used as temporary dwellings on other properties, depending on what local codes permit.

Is your budget set? Do you have financing lined up?

**Y N**

### DOES CHNW OFFER FINANCING?

Currently, we do not offer financing. Many customers will take out a personal loan to build their home. However, there are lenders out there who will finance THOW.

### HAVE SOMETHING UNIQUE IN MIND?

We love that kind of thinking and those kinds of projects! Let's team up to create something new.

Out of the Box

### A NOTE ON CUSTOMIZED SOLUTIONS + TIMEFRAMES

CHNW loves custom work! Whether it's a remodel, a tiny house on wheels or ground up new construction, we can work to make your vision a reality. Please note that building during the pandemic, with its disruption of the global supply chain, has made custom builds take significantly longer to move through the design, permitting and construction process.

General Contracting Services
